

In this section, please write a brief story of what happened, based upon the information you gave above. When and where it happened and what you observed. Only indicate about the most recent occurrence. Previous occurrences are not relevant. DO NOT write about hearsay or other conflicts there have been with the animal owner. Hearsay is what you have heard from other people, not what you have observed, and is not permissible in court. If you require more space, simply continue on another piece of paper.

COMPLAINT AFFIDAVIT

TOWN OF LERAY COUNTY OF JEFFERSON

Generally, violations of NYS Agriculture and Markets or local Animal Control Laws do not occur when an officer is present. For an Animal Control or a Dog Control Officer or the Law Enforcement Officers to take an action regarding a violation, either the officer, or someone else must witness the incident(s).

This Complaint Affidavit or statement, when completed by a witness, provides the documentation necessary for an action to be taken. It establishes probable cause for an officer to believe that a violation took place, who was involved, and the nature of the violation. This statement form is essential for the investigating officer to pursue further action in reference to the violations you have described. For the investigating officer to efficiently respond to your needs, we ask that you review and carefully complete this statement to the best of your knowledge, and return it to the investigating officer within ten (10) days.
